

President of the Junior Florida Cattlemens Association

Dear Florida Junior Cattlemen members,

I want to congratulate the newly elected 2008-2009 FJCA Officer Team. I am very excited about the upcoming year ahead, and I know that we will represent our fellow Junior Cattlemen well. As the holidays approach us, the officer team will be delivering Holiday Beef Baskets to families around our state that are involved in the Beef Industry but may need a little help for the Holidays. For the Christmas Baskets, please let us know if there is a family in need, we would love to help them. "God blesses us to have the strength to help others in a time of need." The officer team will be representing the FJCA at numerous events around the state and if there is anything that we can assist our Junior members with please let the officer team know. Remember to encourage other juniors to become members of the FJCA and become active in promoting the Beef Industry. It is important that as the youth of Florida, we continue the legacy of our Great Florida Cattle Heritage.
