

Convention Internships

We will be offering two 2-week and two 1-week internships to aid in the successful execution of our annual convention and allied trade show. These internships will provide hands-on event production experience and an excellent opportunity to interact with Florida cattle industry stakeholders. Applicants should be college students with an agricultural major.

Two 2-Week internships are available for the pre-convention week AND the week of convention (weeks A&B). 2-week interns will be compensated with a \$1,500 scholarship, and a 1-year FCA Collegiate membership.

Two 1-week internships are available for the week of the convention (week B). 1-week interns will be compensated with a \$500 scholarship, and a 1-year FCA Collegiate membership.

Pre-Convention (Week A)

June 14th-18th, 2027 (9 am-5 pm)

Florida Cattlemen's Association Office
800 ShakeRag Rd, Kissimmee, FL 34744

Two interns will work together to prepare pre-registration packets for an expected 2,000+ exhibitors and attendees. Attention to detail is a must to ensure that each registrant is accounted for and that they receive the correct tickets and receipt. Successful preparation will ensure the registration desk runs smoothly the following week at the convention.
(housing is not provided during week A)

Convention (Week B)

June 21st-25th, 2027

JW Marriott Marco Island Beach Resort
400 S Collier Blvd, Marco Island, FL 34145

The main responsibility of the four interns onsite is to manage the registration desk. This includes setting up and putting away registration materials daily, signing out pre-registration packets, handling onsite registration, and answering attendee questions. Interns will also be needed in other capacities, such as taking photos/videos, taking meeting minutes, and assisting with live/silent auctions. Interns are expected to work amongst each other to make sure all tasks are completed, and that all interns receive breaks when needed. (Hotel room & some meals provided)

Email convention@floridacattlemen.org to apply no later than March 15th. Please include your resume, 2 references, and which position you are interested in (1-week, 2-week, or whichever available). Scan the QR code for more information about the convention.
